

## **TONY POPHAM - MOLESEY EAST**

The **QUALITY** of your Councillor is a very important consideration.

**TONY POPHAM** has:

### **EXCELLENT KNOWLEDGE OF MOLESEY**

Tony has lived in Molesey for 14 years and his son attends Esher High School and is a member of Esher Rugby Club and a qualified referee.

### **INVOLVEMENT WITH MOLESEY AND THE COMMUNITY**

Tony has been a member of the Molesey Residents Association main committee for 7 years and runs his own business. He is a trustee of 3 Molesey charities.

He has recently been involved with local highway plans, flood prevention, recycling and mobile telephone mast problems and intends to continue with this work.

### **KNOWLEDGE OF THE COUNCIL**

During his 6 years on the Council Tony was chairman of the environmental affairs overview scrutiny committee and is currently vice chairman of the same committee. He is also an active member of the corporate affairs committee and is currently chairman of a sustainability working group looking at all aspects of our energy needs and how best we can reduce our costs and impact on climate change. This year his group will be producing a climate change strategy and signing up to the Nottingham Declaration on climate change.

### **ABILITY AND TIME TO DO THE JOB#**

Tony is 52 years old, was born in Wales, educated in Britain and Europe and has travelled widely throughout the Middle East and Africa. He worked for Duport Steel where he handled many problems on behalf of the workforce as well as corporate issues. Whilst he now runs his own business, he still has time to use his wide experience for the benefit of Molesey people by seeing that Molesey and Borough problems get fair and effective treatment at Council.

### **A MESSAGE FROM TONY**

My experience in contesting a seat for the Welsh Assembly and my successful election, 6 years ago and again 4 years ago, to Elmbridge Council has taught me a lot about local government. I enjoy the work at Council, particularly when I am dealing with events and facilities which directly benefit local people. My particular interest is environmental issues but I am also heavily involved in general community concerns. I have attended many events in the Borough designed to support local facilities and in Molesey have taken particular action on the many highways matters which concern people along the Walton Road with its many junctions.

I ask you to support my bid to continue to be one of your local councillor team and I will do my best to serve all interests in Molesey.

*Yours sincerely*  
*Tony Popham*
