Dear Sirs / Madams

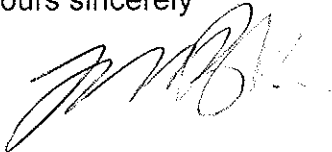

**Quadrant House, Island Farm Road, West Molesey
Planning Application Ref: 2009 / 1331**

Since the recent submission of the planning application to convert Quadrant House into 14 apartments, you may be aware that a couple of letters of objection and a petition have been lodged with Elmbridge Borough Council. These raise various areas of concern which we, as applicants, would like to address.

As such we invite you to join us on the first floor of Quadrant House on Tuesday 3rd November from 4 – 8pm where we will be holding a public exhibition of the plans. Both Consultants involved in the design of the building, along with representatives of the Applicant, will be on hand to explain how these objections can be addressed with the aim of satisfying the areas of concern expressed.

We therefore hope you will be able to join us next week and in this regard look forward to meeting you.

Yours sincerely
